ALL STAR TEAM WILL REPRESENT FAIRMONT SUNDAY

Best Players in Tri-County
District Will Be on
Hand Sunday.

Weather permitting, the Jarvis ballgrounds near Fairview will be the scene of one of the most interesting baseball contests that has been staged in this section of the state for many years on Sunday afternoon. The contestants will be the Waynesburg Independents and a team representing the Fairview Athletic Club. The visiting team has been going like a house on fire all season and the locals have won a majority of games played. Waynesburg has been met in one engagement in which the locals suffered a severe drubbing.

Starting under this defeat, the management of the Fairview team has selected from various towns in Harrison, Marion and Taylor counties some of the best known diamond stars. The battery will be chosen from the big league, but the names will remain a mystery until the game is called Sunday afternoon at 3 o'clock. Working with this big league battery will be Roy Keener of Grafton, who has been leading a team of that town to several victories this season. Keener is not only known as a Grafton player, but at one time was a member of the old Fairmont league. KeKendall, a former member of the Fairmont Mining Machine team in the Fairmont City league but more recently with the Grafton Independents, will take part in the game. Others who will appear in uniform for the game will be Hines, Thompson, Ash, Summers, Ridgely, Haught, Snodgrass, Shenosky, Charant and Pete Yost, manager.

The player who will fill the mound position in Sunday's battle is well known among local baseball fans and while his name has not been published in connection with the game, it is believed that fans have discussed his coming sufficiently to insure the largest crowd of the season.

GRID STARS WILL GET BIG WELCOME

MORGANTOWN, Aug. 25.—When candidates for the West Virginia University football team arrive at Clarksburg on route to Washington, the Mills training camp they will be met and ushered about by a loyal alumni of the University in that city. Clarksburg, as everyone knows, is the last train stop on the trip to the camp, which is reached by electric trolley from that city.

Director J. A. Stansbury has been notified that an elaborate system of transportation whereby the various candidates making the trip via Clarksburg will be met, looked after and put on a trolley for the Mills, is being worked out by Alumni in the Harrison county city. With such a loyal group of former West Virginia students on the job there is little danger that any of the candidates will be lost at that place.

Those arriving at an appropriate hour will be given a good meal and extended numerous other courtesies. Friendships, which will continue throughout the camp period, and in many cases for a longer length of time will probably be formed and all of the boys made to enjoy themselves while they are in that city.

Quite a few members of the Clarksburg alumni are planning to give their representatives on the squad, which at the present time number five men, a rousing sendoff. It is planned to take them to camp in automobiles and let everyone know that Clarksburg is on the job. With Doug Bowers, "Ike" Mowrey, Harry Byers, Aaron Olfker and Bruce Hankey in camp, that place is expected to attract many Clarksburgers who will want to see how home products are getting along in their fight for places on the Mountaineer Varsity eleven.

FULTON AND MISKE TO FIGHT TONIGHT

ST. PAUL, Minn., Aug. 25.—After having been postponed twice, the heavy-weight no-decision bout between Fred Fulton, Minneapolis, and Billy Miske of St. Paul is set for tonight at the local American Association baseball ground. The fight will be one of the most important heavyweight affairs held here for several years and the winner is expected to obtain a bout with Jack Dempsey world champion Fulton and Miske met here in January, 1918, but Twin Cities sports writers disagreed on the verdict.

SOUTH SIDE NINE WILL PLAY AGAIN

Sunday afternoon the South Side Independents will journey to Lowesville where they will meet the fast Lowesville baseball nine in what is expected to be a real battle. The game is booked to start at 3 o'clock and will doubtless be witnessed by a large crowd of fans.

The South Side bunch has been playing some real ball lately, having held the strong Wallace team to a 5-4 score. They gave the Middleton team a drubbing also, the final score of the game being 10-0, and last Sunday at Traction Park they handed the fast Lumberport nine its worst defeat of the season, the score being 11-3.

Just who will pitch for the locals has not yet been decided, but more than likely Skidmore or Jacobs will get the assignment.

JOCK HUTCHINSON AND BRADY LEADING

BIRMINGHAM, Mich., Aug. 25.—(By The Associated Press.)—The western open golf tournament went into the final round today with the title apparently resting between Mike Brady, Oakland Hills professional, and Jock Hutchinson of Chicago. Only a complete reversal of form, a unusual spur by other scorers, it was believed, could displace either of the leaders.

Brady started today's play with a total of 141 for the thirty-six qualifying holes, and Jock was trailing with 145. Dave Robertson, Detroit, and John Farrell, Mamaroneck, came next with totals of 148. The latter two and Laurie Ayton of Chicago, who was nine strokes behind Brady, were the only contenders who conceded any chance at the title.

GIANTS' RECRUIT SETS RECORD IN HITTING PILL

SALT LAKE CITY, Aug. 25.—Jim O'Connell, outfielder of the San Francisco team, who has been sold to the Giants to report next spring, made six hits in six times up in yesterday's San Francisco-Salt Lake game. O'Connell fanned out two homers, a triple, a double and two singles. His runs scored totaled four.

Available record books show something like ten players who have hit six times in six times at bat, and O'Connell's feat is believed to be a record for the league at least.

TWO GAMES SCHEDULED.—Two big baseball games will feature the all-day outing and picnic of the employees of the Monongahela Power & Railway Co. at Norwood Park, Clarksburg, next Tuesday and Thursday. On Tuesday a team representing Fairmont employees will meet a team composed of Clarksburg employees. On Thursday a picked team composed of the best players on both the Fairmont and Clarksburg teams will clash with a team representing the Parkersburg workers.

NEW YORK PUGILIST WINS.—FORT WORTH, Tex., Aug. 25.—Joe Lynch, New York bantamweight pugilist, knocked out Benny Levy in the fourth round of a scheduled twelve-round bout here last night. Lynch kept Levy on the defense throughout the bout.

DAYBROOK PLAYERS TO MEET FAIRMONT

Game to Be Played on Daybrook Diamond at 4:30 o'clock Saturday Afternoon.

The Daybrook team will meet the fast Fairmont Nationals for the first time next Saturday at Daybrook, the game to be called at 4:30 p. m. The teams are evenly matched inasmuch as both of them have defeated many of the teams of this section of the state. Both teams are confident of a victory, and the game will be hard fought. A large crowd is expected to attend the contest.

Myers will likely start the game for Daybrook and Underwood is expected to start the game for the visitors.

The game with Kughtown, Pa., last Saturday at Kughtown and the game with the same team Sunday at Daybrook were the two most exciting contests ever played by the Daybrook team, the score being tied three times in each contest. The game at Kughtown went eleven innings and was called on account of darkness with score 9-8. The Daybrook club defeated the Kughtown outfit in Sunday's game by a 7-6 score. This was the fastest line-up Daybrook has met this season as it included players from the fast Waynesburg team and from the fast Brave team, as well as the best from Kughtown.

So far this season the Daybrook club has played seventeen games, winning all but one, which they lost to Kughtown. This does not include the game with Kughtown as it will be played off on some neutral ground in the near future. It has not been decided where the game will be played, yet but it will likely be at Brave.

TWO STARS TO JOIN WESLEYAN ELEVEN

BUCKHANNON, W. Va., Aug. 25.—West Virginia Wesleyan's football prospects were given an other raise today when it became known that two more Wheeling High School athletes had decided to enter Wesleyan College next month.

George Munas, 155 pound quarterback, coached two years by John Kellison, present W. & J. football line coach, and two years by Keleel Ross, present Wesleyan coach, both former Wesleyan players, will be a candidate for the quarter-back position when the Wesleyan training camp opens here next Wednesday. Munas is a good runner, passer, and his performances while with Wheeling High as a drop kicker and punter has helped to make scholastic football history in West Virginia.

Hyman Robinson, also of Wheeling, and a team-mate of Munas, has been a star linesman on the Wheeling High eleven for the past two years. Robinson is a basketball player, and a keen stepper at the 220 and 440 track events.

RAIN PREVENTS CHURCH LEAGUE TEAMS PLAYING

The Palatine Baptists baseball team of the East Side Church League will clash with the First M. P. team at 5:45 this evening. The heavy rain of yesterday morning and evening which made the diamond unfit for play yesterday caused the postponement of the game between the Diamond Street M. E. team and the Bunner's Stars last night.

The ball diamond and field was a sea of mud last evening, but according to persons who helped to grade the field the rain of yesterday was needed to put the field in condition for good fast play. A heavy layer of dust, several inches thick had covered the field for several days and today this is gone. Last night another postponed game was added to the long list of postponed games in the league which will have to be played off before the season, which is rapidly approaching the end, closes.

CO-PARTNERSHIP PROVES SUCCESS

'Lever Brothers', London,
Take Employees Into Firm—
Give Life Insurance.

LONDON, Aug. 25.—At the mammoth establishment of 'Lever Brothers, Port Sunlight,' Lord Leverhulme has long demonstrated to the commercial world that it pays to treat employees well. The co-partnership idea has been the foundation of his gigantic business. He has just carried that idea a long step further.

Life insurance policies will be taken out by the company for every co-partner in the firm, from laborers to directors. The policies of ordinary members of the staff will be worth from £100 to a maximum of £1,000; those of foremen from £200 to £2,000, and those of managers from £400 to £4,000. A system of grading is to be instituted to determine the amount of the policy allotted to each person. Devotion to duty and efficiency will lead to promotion to a higher grade and an increase in the amount of the policy, while for insufficient or careless work an employee may be graded down.

Should an employee retire with the company's consent, the company will try to arrange that he continue to pay the premiums. In the event of an employee leaving in any other circumstances, the company will try to arrange that the assured person, if he so desires, shall continue payments at the ordinary rates without medical examination.

Under the unemployment scheme the firm will pay a co-partner such a sum as, with all allowances from other sources, will equal half wages. Benefit will be paid on a similar basis in the case of sickness extending over a week. This benefit will run for four weeks, and its continuance will then be considered.

Lord Leverhulme, explaining the scheme to a meeting of the employees, who adopted it with enthusiasm, said that it was not something in place of wages. The payment of trade union rates of wages was the basis of the plan, but the idea of the new proposals was to reward and encourage diligence and efficient service.

"We feel," Lord Leverhulme added, "that there cannot be any greater stabilizing effect than that of removing the dread of unemployment and removing the possibility of dependents being left destitute in the case of the death of the bread winner."

Lord Leverhulme spoke highly of the value of co-partnership. "The last two years of stress and strain that we have gone through in business have proved," he said, "that co-partnership is a sheer anchor in such a time. We may have adversity in the future, but I am certain that the co-partnership principle will come out triumphant and with flying colors."

78TH DIVISION TO HOLD BIG REUNION

WASHINGTON, Aug. 25.—A call has been issued by Lt. Col. A. J. L'Heureux, former adjutant to all members of the Seventy-eighth (Lightning) Division to attend the first annual reunion of the division in Atlantic City, September 30 and October 1.

The division which was organized at Camp Dix, N. J., from national army men of New York, New Jersey, Delaware, Illinois and the New England states, saw active service in the Toul Sector and in the St. Mihiel and Argonne offensives.

Major-General James H. McRae, who commanded the division during the war, Colonel Charles D. Herron, Chief of Staff, and Lieutenant-Colonel W. C. Johnson and Major James L. Frink, assistant chiefs of staff with the division during the war, will be among those attending the reunion, it was announced.

COMMUNISTS PLAN TO DEFEAT CHARGES

ST. JOSEPH, Mich., Aug. 25.—While authorities of Berrien County today were arranging for the prosecution of seventeen radicals arrested Tuesday in the woody near Bridgman, counsel for the alleged communists and members of the workers' party were busy building up the defense behind which they will fight the charges of syndicalism which the state of Michigan has made.

William Z. Foster, head of the Trade Union Educational League, arrested in Chicago following the raid here, was at liberty under bond of \$5,000, and while Michigan authorities were seeking extradition papers to bring him here he prepared to fight extradition papers from Michigan.

The prosecution will be taken up next week officials said. Meanwhile the seventeen prisoners are held under bonds of \$10,000 each.

C. H. Ruthenburg, one-time candidate for governor of Ohio, acting for spokesmen for his fellow prisoners, expressed confidence in defeating the charges against the men. The Michigan law, he declared, was too vague in providing punishment for "advocating social and industrial reform."
